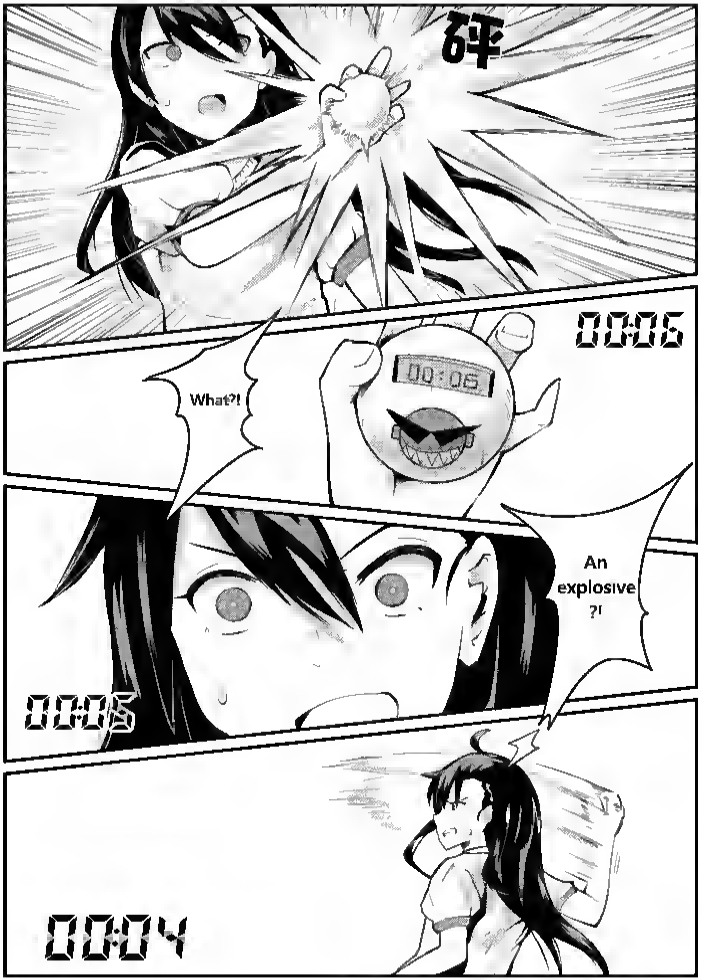
getting scary
Yesterday's mysterious creature.
That reward
Yeah Yeah
Yeah, that one.
murmurs abound
Have you heard
What are you going on about, you bastard!!
RORY! We're in the middle of class!
Principal...
If you don't get educated, you'll just end up being useless...
It's all because of that retarded principal
Teacher Bearback is really scary when he's mad

What kind of person is the principal
Also, I should find a chance to ask what an athletic decision is
Gym Class
Everyone, it's free time now
OH YEAH!!
Hey Youko,
Eh?
What does an "athletic decision" mean?

Athletic decision... It's one of North Academy's scariest traditions.
Once issued, it cannot be suspended. It's gone so far that people even lost their lives!!
Is that right...
瞄准
?!
惊



砰
00:06
00:06
What?!
An explosive ?!
00:05
00:04

00:03

00:02
00:02

text: Wrong guess~

Lin?! I can't see anything!
Gah, what's with all this smoke on the field!
浓烟滚滚
This is... a military smoke screen...
It won't dissipate for a while.
Somebody call over a teacher,
Woaah, what's going on here!
等

You reacted like a soldier...
Looks like I guessed right.

What is with this situation
Who are you
I already know your secret, you're that seal!!
Who I am isn't important!!
Ah, don't worry... I won't tell anyone.
And not only that.. you were sent here by the SEALs.
?!

As soldiers, it should be an even trade
All I want is for you to give me "that thing" you picked up yesterday
I can act like nothing ever happened, and you can continue on with your assignment.
...

How about it!!
A worthwhile exchange
Very tempting,
But...

I refuse.
!
If you're also a soldier,
You should know,
How soldiers decide things.
